## 4.5x6 Table Tower (3-Sided)

Place this template in a separate layer  
in your layout program and delete or turn off  
before sending/exporting your file.

**Bleed** —————→  
For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

**Trim** —————→  
Edge of page.

**Margin** —————→  
For best results keep text and images that must be seen and read at least 1/8" from edge of page.

Glue Area:

←————→  
This area must remain blank
