Front Panel

Margin →
For best results keep text and
images that must be seen and read
at least 1/8" from edge of page.

Trim →
Edge of page.

Bleed
For borderless edges, extend
images, photos and/or solid
background colors 1/8" beyond the
edge of the page. This area (yellow)
will be trimmed during the finishing
process. It should not contain any
information you intend to be seen
or read.

Copy margins
We recommend keeping copy 1/8" in from fold lines in
most cases.
