Conquest Graphics 6x4 Postcard

Once your design is complete, please visit www.conquestgraphics.com for outstanding print values! Use promo code **PCardTemp0001*** for an additional discount on your next order.

Place this template in a separate layer in your layout program and delete or turn off before sending/exporting your file.

Remember to leave room for the stamp or mailing indicia in the top right corner, and the sender's and receiver's address. **Space for mailing info must be at least 4x2.25"!**

Bleed

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

Margin

For best results keep text and images that must be seen and read at least 1/8" from edge of page.

Trim

Edge of page.

*Promo only applies to a single item valued over \$50. Total discount limited to \$200. Promo code is valid for website orders only, can only be used one time per user, is valid only at the time of purchase and cannot be applied after the check-out process. Promo code does not provide a discount for mailing or shipping charges.
