Conquest Graphics 10x7 Greeting Card folds to 5x7

Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.

Bleed

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

Back Panel

Trim
Edge of page.

fold

Margin

For best results keep text and images that must be seen and read at least 1/8" from edge of page.

Front Panel

*Promo only applies to a single item valued over \$50. Total discount limited to \$200. Promo code is valid for website orders only, can only be used one time per user, is valid only at the time of purchase and cannot be applied after the check-out process. Promo code does not provide a discount for mailing or shipping charges.
