Conquest Graphics 5.5x8.5 Catalog Cover with Foldout

flat size is 16.1875"

Place this template in a separate layer in your layout program and delete or turn off before sending/exporting your file.

To use this template for the inside of your print project, flip it horizontally.

Foldout Panel

(Foldout is 1/16" smaller than back cover)
5.3125" wide

Back Cover

(this page is 1/8" smaller than front cover)
5.375" wide

Front Cover

5.5" wide

Copy margins

We recommend keeping copy 1/8" in from fold lines in most cases.

Margin

For best results keep text and images that must be seen and read at least 1/8" from edge of page.

Trim
Edge of page.

Bleed

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

This side has larger margin. Size of this trim is at binder's discretion, based on book size.
