

Conquest Graphics 8.5x11 Statement Stuffer

Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.

When designing multiple page documents,
it is not necessary to provide your files
in reader or printer spreads.
Sending your project as individual pages,
allows Conquest Graphics to easily create
the spreads for you.

Margin →
For best results keep text and images that must
be seen and read at least 1/8" from edge of page.

← **Bleed**
For borderless edges, extend images,
photos and/or solid background colors
1/8" beyond the edge of the page. This
area (yellow) will be trimmed during the
finishing process. It should not contain any
information you intend to be seen or read.
