

This paragraph should have more background text since it's continuing from the panel to the left.

Splitting sentences into multiple paragraphs can make it look like you have more to say.

## Background

Trifold brochures have long been a type of material used to advertise brands, products, and services. The best way to maximize its use is to introduce what the brand has to offer with a brief or about section like this. Make sure to keep your introduction short but interesting enough to readers.
