

## Conquest Graphics 25.5x11 Brochure

Place this template in a separate layer  
in your layout program and delete or turn off  
before sending/exporting your file.

To use this template for the inside  
of your print project, flip it horizontally.

**Bleed** →

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

**Margin** →

For best results keep text and images that must be seen and read at least 1/8" from edge of page.

**Trim** →

Edge of page.
