

4 x 3 x 1 Pillow Box

Place this template in a separate layer in your layout program and delete or turn off before sending/exporting your file.

To use this template for the inside of your print project, flip it horizontally.

Bleed

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.
