

Text or important graphics not recommended for this shaded area due to hole cut-out, slit, and possible ink/toner variation around/near die cut edges.

**This area will need to be removed after printing.**

Keep 2.3125" clearance

## Conquest Graphics 4x9.75 Door Hanger

**Place this template in a separate layer in your layout program and delete or turn off before sending/exporting your file.**

**To use this template for the inside, flip it horizontally.**

### **Bleed**

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

### **Margin**

For best results keep text and images that must be seen and read at least 1/8" from edge of page.

### **Trim**

Edge of page.
