Conquest Graphics
9x6.25 Postcard

**Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.**

Remember to leave room for the stamp or mailing indicia in the top
right corner, and the sender's and receiver's address. **Space for mailing
info must be at least 4x2.25"!**

Bleed
For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

Margin
For best results keep text and images that must be seen and read at least 1/8" from edge of page.

Trim
Edge of page.
