Conquest Graphics 9x12 Window Envelope

Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.

Trim →
Edge of page.

← Margin
For best results
keep text and
images that must
be seen and read
at least 1/8" from
edge of page.

Bleed →
For borderless edges, extend images, photos and/
or solid background colors 1/8" beyond the edge of
the page. This area (yellow) will be trimmed during
the finishing process. It should not contain any
information you intend to be seen or read.
