## EDDM Flat Mailer 9x12 Portrait

**Place this template in a separate layer in your layout program and delete or turn off before sending/exporting your file.**

**When designing multiple page documents, it is not necessary to provide your files in reader or printer spreads.**

**Sending your project as individual pages, allows Conquest Graphics to easily create the spreads for you.**

**Margin** 

For best results keep text and images that must be seen and read at least 1/8" from edge of page.

**Bleed** 

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

**Trim** 

Edge of page.
