24 x 24 Round Window Decal

Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.

Bleed
For borderless edges, extend images, photos
and/or solid background colors 1/8" beyond
the edge of the page. This area (yellow) will be
trimmed during the finishing process. It should
not contain any information you intend to be
seen or read.

Margin
For best results keep text and
images that must be seen and
read at least 1/8" from edge of
page.

Trim
Edge of page.
