30 x 20 Acrylic Sign With Holes

**Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.**

Rotate this template to use it horizontally.

Margin
For best results keep text and images that must be seen and read at least 1/8" from edge of page.

Bleed
For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

Trim
Edge of page.
