4x4 Round Shelf Dangler

**Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.**

Bleed
For borderless edges, extend images, photos and/
or solid background colors 1/8" beyond the edge of
the page. This area (yellow) will be trimmed during
the finishing process. It should not contain any
information you intend to be seen or read.

Margin
For best results keep text and
images that must be seen and
read at least 1/8" from edge
of page.

Trim
Edge of page.
